Good morning,

We'd be happy to update Ms. Sloan, Mike and Victor regarding where WUTMB is on the AOC and Asbestos elements. Do you have her email?

Ed – See email chain below. Victor and Rob are with EPA Denver. Mike Cirian is the EPA project manager in Libby. Mike will be assigned to CFAC as it moves forward with NPL and Federal Superfund activities. You may have other information you would like to provide regarding the question posed from Tester's office. – Thanks, Jenny
